Details of the documents mentioned in items (i), (ii), (iii) and (iv) are given below :—

(i) **A TREASURY RECEIPT OR CROSSED INDIAN POSTAL ORDERS FOR THE PRESCRIBED FEE.**—The amount may be deposited in the nearest Government Treasury, or in a branch of the State Bank of India, or in a State Treasury authorised to transact business on behalf of the Government (Amount deposited at Bombay, Calcutta, Delhi, or Madras should be deposited in the Reserve Bank of India instead of in the State Bank of India). **NOTE 3.**—A candidate must send the Treasury Receipt, in original, along with his application. Duplicate/triplicate copies of the Treasury Receipt will not be accepted.

(ii) **A CERTIFICATE OF AGE.**—The date of birth ordinarily accepted by the Commission is that entered in the Matriculation Certificate or in the Secondary School Leaving Certificate, or in a certificate recognised by an Indian University as equivalent to Matriculation or in an extract from a Register of Matriculates maintained by a University, which extract must be certified by the proper authority of the University. The expression Matriculation Certificate in this part of the instructions must be understood as including these alternative certificates. Candidates will thus understand that the Matriculation Certificate is required in all cases as evidence of age, and it must invariably be sent to the Commission, in original, with a copy thereof, together with the application.

Sometimes the Matriculation or equivalent Certificate does not show the date of birth, or only shows the age by completed years or completed years and months. In such cases a candidate must send, in addition to the Matriculation or equivalent certificate, an original certificate, together with a copy thereof from the Headmaster/Principal of the institution from where he passed the Matriculation or equivalent examination, showing the date of his birth or his exact age as recorded in the Admission Register of the Institution.

If the Matriculation or equivalent certificate has not been issued to a candidate he should submit along with his application an age certificate from the Headmaster of the School from where he appeared in the Matriculation or equivalent examination. Such a candidate will be required to submit his original Matriculation or equivalent certificate before he is admitted to the National Defence Academy. He will be disqualified if later on it is found that the date of birth claimed by him in the application differs from that entered in his Matriculation or equivalent certificate unless the discrepancy is explained to the satisfaction of the Union Public Service Commission.

Candidates are warned that unless complete proof of age as laid down in these instructions is sent with an application, the application may be rejected. Further, they are warned that if the date of birth stated in the application is inconsistent with the age shown in the Matriculation Certificate and no explanation is offered, the application may be rejected.

**NOTE 1.**—A candidate who holds a completed Secondary School Leaving Certificate need submit with the original a copy of only the page containing entries relating to age.

**NOTE 2.**—CANDIDATES SHOULD NOTE THAT ONCE A DATE OF BIRTH HAS BEEN CLAIMED AND ACCEPTED BY THE COMMISSION FOR THE PURPOSE OF ADMISSION TO AN EXAMINATION, NO CHANGE WILL ORDINARILY BE ALLOWED AT A SUBSEQUENT EXAMINATION.

**NOTE 3.**—Candidates who have passed the 10th Class of (i) a recognised Higher Secondary School, (ii) a recognised School preparing students for the Indian School Certificate Examination, and (iii) Technical Higher Secondary School of Delhi Polytechnic, must submit a certificate of age from the Principal of the School concerned, and no other certificate as evidence of age will be required.

(iii) **A CERTIFICATE OF EDUCATIONAL QUALIFICATION.**—A candidate must submit a certificate or diploma, in original, with a copy thereof showing that he has one of the qualifications prescribed in Rule 8 of Notification. The certificate submitted must be one issued by the authority (*i.e.* University or other examining body) awarding the particular qualification. If such a certificate or diploma is not submitted, the candidate must explain its absence and submit such other evidence, in original, as he can to support his claim to the requisite qualifications. The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

**NOTE 1.**—Candidates who have appeared or intend to appear at any of the examinations the passing of which would render them eligible to appear at this examination may also apply for admission to the examination. Such candidates will be admitted to the examination, of otherwise eligible but the admission would be deemed to be provisional and subject to cancellation if the candidates do not produce proof of having passed the examination, as soon as possible, and in any case not later than 1st December 1964.

**NOTE 2.**—In exceptional cases a candidate who has been prevented from obtaining a Matriculation Certificate or its equivalent for reasons beyond his control may at the discretion of the Commission be admitted to the examination provided that he produces a certificate from a Gazetted Officer of the Central or State Government or a Principal or Headmaster specifying the institution where he studied up to the Matric class, the University or Board which was holding the Matriculation Examination, whether admission certificate was issued to him and the reasons which prevented him from taking the examination.

Each copy of the photograph should be signed in ink on the front side by the candidate.

**N.B.**—Candidates are warned that if an application is incompletely or wrongly filled or is not accompanied by any one of the documents mentioned under 4(ii), 4(iii) and 4(iv) above, without a reasonable explanation for its absence having been given, the application is liable to be rejected and no appeal against its rejection will be entertained. The documents not submitted with the application should be sent soon after submission of the application and in any case they must reach the Commission's office [except as provided for in Note 1 under (iii) above] one month before the date of commencement of the examination.
